

The New Mexico Hispanic Medical Association's 26th Annual Dinner Program & Fundraiser

A TASTE OF DIVERSITY & SILENT AUCTION

August 20, 2016 6:00 PM

Sandia Hotel Conference Center
30 Rainbow Rd, Albuquerque, NM 87113

A Taste of Diversity is an annual event celebrating the richness of diversity and its contribution to discovery in the health sciences. The New Mexico Hispanic Medical Association continues to support a diverse healthcare workforce by providing scholarships to medical students from many backgrounds. We will recognize four students on this night.

With the spirit of diversity in mind, we'll share foods from around the world. This year we're featuring Spain, Greece, Panama, and Antigua. You'll also have the opportunity to win trips to these far off places.

Come join us for this fun night of celebration!
